## To all our customers

### Declaration for REACH and RoHS

Ladies and Gentlemen,

Regarding REACH, we want to inform you that for cable manufacturers of VO 1907/2006 (REACH) there is no obligation arising because

- 1.) It is a ready product.
- 2.) No release can be expected under normal conditions of use.
- 3.) The monomers are firmly enclosed in the polymers.

Based on confirmations from our suppliers we can confirm, our products do not contain substances above the permitted weight percentage listed in Annex XIV and Annex XVII of Reach.

Relating to the actual SVHC list (Status of 07<sup>th</sup> Novembre 2024) we announce that our products do not contain any of the listed substances and with the POP Regulation EU 2019/1021 Annexes I and III are in conformity and the maximum permissible limit values are complied with.

The cables and lines listed on the supplementary sheet are excluded.

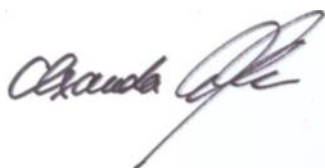

Furthermore, we confirm the conformity of our products according to the EU guideline EU 2015/863 and the 2011/65/EU.

Additionally, we want to point out that the existence of possible contaminations in traces of these substances cannot be excluded. We are not leading through research on the existence of substances listed in the guidelines. We refer to the statements of our raw material suppliers.

We hope to have you supported with this information and remain.

Best regards,

KLASING Kabel GmbH

Alexander Müller
